Ongoing Service and Reviews

We will discuss the full range of our ongoing valued service proposition during our initial consultation.

These services include, but are not limited to, providing you with:

- An assessment of your circumstances and any changes to your plans that are needed;
- Regular updates and information regarding your investments;
- A choice of differing levels of support depending on your needs;
- Ongoing support with correspondence and administration issues.

Your Payment Options

Details of these different levels of services are contained in our Valued Service Proposition document. We will agree separately the level of ongoing services at the time of, or prior to, making our recommendation(s) to you. Typically our costs range from 0.5% to 1% per annum and are based on the value of your investment(s) at each 12 month anniversary, and are paid pro-rata in arrears. Therefore, if the value of your investment(s) totalled £50,000 our yearly fees would range from £250 to £500. The amount you pay will fluctuate with the value of your investment; if your investment increases in value the

amount you pay will also increase and if your investment falls in value the amount you pay us will reduce. Any change to the level of services throughout this agreement will result in pro-rata charge being applied.

The charges listed above can be deducted from your investments or paid directly by you. You should note that when paid through the investments it may reduce your personal tax thresholds and/or exemption levels. Where this happens we will discuss it with you and confirm it in your suitability report.

Should you decide to cancel our agreement to provide ongoing services you must provide written confirmation on your decision and we will cease your payments for these services within 7 business days and after collection of any due proportion of any period charges.
